

VITALPEAK BS 90

Main advantages of the baby scale BS 90

Clear backlit display

Big clear numbers

Maximum load 25 kg

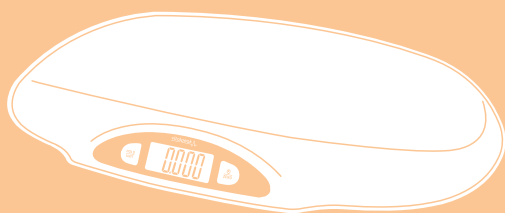

Tare and Hold functions

Automatic shut-off

Comparison of measured weights

Digital baby scale BS 90

is a practical helper in controlling your baby's weight. It is equipped with the TARE function, which allows you to weigh the baby with clothes or a towel without affecting the weighing result. Another function is HOLD, which saves the measured values in memory. This function is useful if you have a more active child who is constantly moving. The scale is suitable for weighing children up to 25 kg. The ergonomic shape of the scale allows comfortable weighing of the child while it is lying down.

VITALPEAK BS 90

VITALPEAK are modern and reliable products for your good quality and more comfortable life. The ease of use, quality and high functionality of the products ensure comfort that makes life easier.

TYPE	Name	Infant scale
	Type	digital with functions
	Code	BS 90
	Product EAN	8594205620139
ENERGY INFORMATION	Power supply	batteries
	Batteries	4x 1,5 V AAA
	Max. load capacity	max. 25 kg/55 lb
	Measurement accuracy	≤5 g, ≤0,01 lb
PHYSICAL PROPERTIES	Weighing area material	plastic
	Colour	white
	Length (mm)	570
	Width (mm)	340
	Height (mm)	66
	Weight (g)	1510
FUNCTIONS	Connectivity (Bluetooth)	no
	Automatic shutoff	after 2 minutes
	Display	LCD with backlight
	Overload indication	yes
	Tare function	yes
	Conversion kg/lb/oz	yes
	Other functions	HOLD function
