

VITALPEAK HU 80

Main advantages of the heated blanket HU 80

**Made of good quality,
soft and breathable material**

3 heating power levels

**Controller with backlit
LCD display**

Washable in washing machine

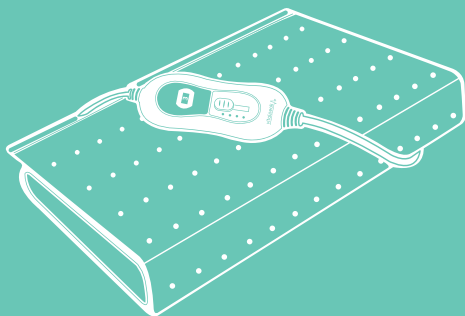

Removable controller

**Safety fuse against
the device overheating**

AC operation

Heated blanket liner HU 80

will give you a pleasant feeling of warmth and at the same time help with back or joint pain. The advantage is even heating and of course the automatic shutoff after 90 minutes of operation, which protects the device from overheating. It offers three levels of heating, where low power is suitable for longer use. The heated blanket liner is made of soft and breathable material and allows gentle washing in the washing machine at max. 30 °C.

VITALPEAK HU 80

VITALPEAK are modern and reliable products for your good quality and more comfortable life. The ease of use, quality and high functionality of the products ensure comfort that makes life easier.

TYPE	Name	heated blanket liner
	Type	blanket liner
	Code	HU 80
	Product EAN	8594205620108
ENERGY INFORMATION	Power consumption	60 W
	Voltage	220-240 V ~ 50 HZ
	Number of temperature modes	3
	Power supply	mains
PHYSICAL PROPERTIES	Material	polyester
	Colour	white
	Length (mm)	1500
	Width (mm)	800
	Height (mm)	40
	Weight (g)	960
	Washable/maintenance	washable in washer at 30 °C
FUNCTIONS	Remote controller	yes
	Automatic shutoff	after 90 min.
	Display	yes
	Bed preheating	yes
