**Relaxing and stimulating massage**

**6 massage heads**

**Rotation of the heads clockwise  
and counterclockwise**

**Breathable material**

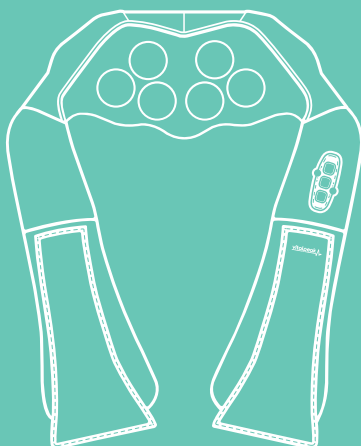

**Infrared heating**

**AC operation**

**Safety fuse**

### Back and neck massage device MSG 150

will provide you with a perfect full body massage and relief from stress. The ergonomic design adapts to the shape of the shoulders and neck, but the device can also be used to massage the back, abdomen and limbs. It has six massage heads with two-way rotation, which will take care of the full body massage, and you will feel like in a massage parlor. MSG 150 has an integrated infrared heater, which warms the muscles and improves blood circulation. It is made of breathable and washable material and designed for easy operation.

# VITALPEAK MSG 150
