**Suitable for full body massage**

**2 levels of massage intensity**

**Relaxing and stimulating massage**

**Vibrations mode**

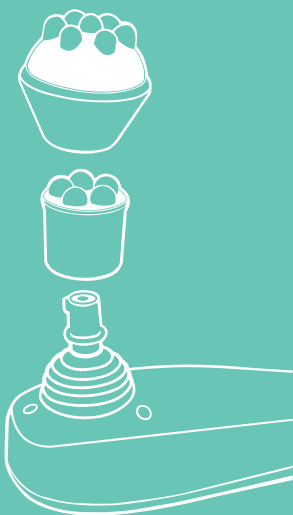

**AC operation**

**Ergonomic shape**

**Safety fuse**

### Hand massage device with interchangeable attachments MSG 60

is a unique helper for effective full body massage. It is suitable for sports-oriented individuals as well as for people with a sedentary lifestyle. An intensive full body massage will relieve tense muscles and at the same time will help you get rid of stress. You can use the device to massage the back, cervical spine, shoulders, hands, calves or thighs. You have two interchangeable attachments available that you can choose with regard to the part of the body being massaged.
